

Hello fellow members and ralliers.

As promised a quick update on how things are going.

Your committee and myself have taken the view that it safer for us all to not rally at this moment in time as you all know; things are changing all the time in these unprecedented times. Your new committee will look into the possibility of rallying again at the first opportunity they have.

The AGM will be held but we are very limited in numbers so we can only have a maximum of 30 people in the hall with social distancing. This means that only one member of a household can attend this will be done on a first come first served basis. We are very sorry but we will not be able to accept visitors to our AGM due to number limits and East Sussex members must have priority. However, we have put in place zoom meeting facility so those of you who are able to join us can.

The nominations form is now live on the web page so please feel free to put your names forward all positions are up for grabs. Without members volunteering to become committee members, we will not have club to go out and rally with.

Nominations must be in via web page by 15.00 Saturday 19th September.

There will be voting system in place if need via phone.

Please keep a close eye on web page for further information.

Kind regards

Sue Smith

Chairman,
