

**IMPORTANT CORONA VIRUS INFORMATION AFFECTING FUTURE
EAST SUSSEX CENTRE RALLIES**

The East Sussex centre committee have been monitoring the situation regarding the outbreak of covid-19.

Whilst every effort has been taken to keep the members and friends of the centre on the rally field, due to the latest Government and Department of health advice we will be keeping in line with and also the Health and Safety for all our members and friends being our top priority the committee have had to make a very difficult decision to cancel all East Sussex Rallies until further notice.

As the situation changes, we the committee will be updating all the members as to the reinstating of rallies, with advice taken form the Government, Department of Health and The Caravan and Motorhome club.

Please help and support our members in these difficult times, and pass on this information to those that may not use social media.

If you have any concerns over bookings, please contact
